

CSIR-IIM invites Expression of Interest (EOI)

for

“Public Private Partnership for cGMP unit for extraction and formulation of herbal drugs”

Director, Indian Institute of Integrative Medicine (IIM), Canal Road, Jammu Tawi 180001 hereby invited expression of interest on 29.08.2017 at 11.00AM for Public Private Partnership for cGMP unit located at the CSIR-Indian Institute of Integrative Medicine (CSIR-IIM), Canal Road, Jammu-180001 (J&K) India.

CSIR-IIM has setup a state-of-the-art, WHO compliant cGMP facility for extraction and formulation of phytopharmaceutical/herbal/botanical/Ayush drugs, which has been issued a manufacturing license by Drug & Food Control Organization, Jammu & Kashmir (license No: JK/01/14-15/AY-UN/216, Dated: 30/01/2015).

IIM requests a proposal to create PPP for the GMP unit for effective capacity utilization and production of medicinal plant based quality drugs, the details of which are available on the website <http://www.iiimegmp.com/>. Additional detailed information, including site tours will be made available on request. Proposals will be reviewed by an expert committee.

Depending upon the need parties can submit EOI either for Herbal Extraction Unit or Formulation Unit or for both. In addition EOI can also be submitted for the use of Lyophilisation Facility, Spray Dryer and Stability Study of botanicals as per ICH guidelines.

Facilities and Services Available:

1. Herbal Extraction Unit (loading cap. of 25 Kgs/batch, manual and auto operated), with Spray Dryer (15 kg/hr) and Lyophilization facility (14 lts/ batch) for preparation of extract powders.
2. Formulation Unit for the manufacture of :
 - i) Tablet (30,000 tablets /hr, sugar or non-sugar coated, in strip or blister packing)
 - ii) Capsule (30,000 capsules /hr in strip or blister packing)
 - iii) Syrup (Liquid Oral) (500 Liters /per batch /10,000 bottles of 60-100 ml each)
3. Dispatch Area
4. Dedicated Boilers & Compressors, Chillers, HVACs, RO and ETP plants.

IIM will consider proposals favourably based on projected economic development impact, community benefit, research collaboration with IIM and/or its collaborators, quality and nature of any proposed capital improvements to the existing GMP facility as well as other factors whereby the successful applicant's use of the GMP facility supports the Institute's mission.

The EOI with details of Experience, Turnover, Bank Solvency Certificate, annual accounts for last 3 years including last year (Prov.) & documents relating to the Company (Partnership deed), Memorandum & Article of Association, Certificate of Incorporation etc, to be furnished not later than 04.08.2017.

Tours of the GMP facility can be scheduled by contacting Anil Katare (09707388843), Satish Gupta (09419221717), Y S Bedi (09419182307).

Interested bidders can obtain further information from the office of Store and Purchase officer CSIR-INDIAN INSTITUTE OF INTEGRATIVE MEDICINE, CANAL ROAD, JAMMU -180001 INDIA. Tele fax: - 0191-2585032, Email- propul.spoo@iiim.ac.in

The Director, IIIM Jammu reserves the right to accept or reject any for all EOI either in part or in full without assigning any reason thereof.
