CSIR-INDIAN INSTITUTE OF INTEGRATIVE MEDICINE, CANAL ROAD, JAMMU

ABOUT CSIR - IIIM JAMMU

The Institute was established in 1941 as a research lab. and production centre, known as Drug Research Laboratory of J&K State and was later taken over by Council of Scientific & Industrial Research (CSIR) of Govt. of India in December 1957 as Regional Research Laboratory, Jammu. In view of its core strength in natural products based drug discovery, the mandate of Institute was redefined in 2007 and its name changed to the Indian Institute of Integrative Medicine (IIIM). The current mandate of IIIM is to discover new drugs and therapeutic approaches from Natural Products, both of plant and microbial origin, enabled by biotechnology, to develop technologies, drugs and products of high value for the national and international markets.

ABOUT VENUE

The workshop shall be held at IIIM Jammu situated at Canal Road locality of District Jammu. It is the winter capital of Jammu and Kashmir, which is an Indian-administered union territory. It is the headquarters and the largest city in Jammu district. Lying on the banks of the river Tawi, the city of Jammu, with an area of 240 km² (93 sq mi). It is surrounded by the Himalayas in the north and the northern plains in the south. Jammu is the second-most populous city of the union territory. Jammu is known as "City of Temples" for its ancient temples and Hindu shrines.

AIMS & OBJECTIVES OF WORKSHOP

- ✓ To scale up the post-graduates and doctoral pursuing students in enhancing the scientific writing skills, as per the requirement of the national healthcare industry.
- ✓ To provide the scientific interaction between healthcare industry experts and academic students.
- ✓ To enable the participants to understand the writing skills requirement of the healthcare industry in the area of science communication.
- ✓ To enhance the understanding of participants, to communicate the scientific findings in an effective and professional way.
- ✓ To help participants understand the professional communication in the industry, which will boost them to get highly lucrative healthcare industry jobs.
- ✓ To make participants excel toward dissemination of scientific information via publication writing.
