EXPRESSION OF INTEREST (EOI) FOR

AUGMENTATION OF PILOT PLANT FACILITY

(Supply, Installation and Commissioning of Fermenters 15L/200L/1000L and 5000L and supporting downstream facility along with compatible utility)

EOI No: 12(20)/2024-P(EOI)

Dt. 13.06.2024

About the organization

CSIR-Indian Institute of Integrative Medicine, Jammu, established in 1941, is a constituent laboratory of Council of Scientific and Industrial Research (CSIR), New Delhi. With its expertise in Natural Product driven drug discovery, it provides solutions to challenges faced by Industry, Government Departments and Entrepreneurs through basic and applied research, and process development. It is internationally recognized for its contributions to biotechnology research and is an ideal place for taking ideas to commercialization through state of the art research and development in the area of fermentation technology.

CSIR-IIIM, during its yesteryears journey, has made its mark as a dynamic, innovative and result oriented R&D organization. The clientele spans all corners of the world. In India, CSIR-Indian Institute of Integrative Medicine (CSIR-IIIM) is one of the oldest National Laboratories and the reliable destination of Natural product chemistry and biotech/fermentation industries.

CSIR-IIIM has pioneered in process technology of fermentation based products and transferred technologies for commercialization by Indian industries. CSIR-IIIM has several projects in hand, carried out in-house or in collaborative mode, with premier academic and research institutions in the country and abroad.

INSTRUCTION TO TENDERERS

INVITATION FOR EXPRESSION OF INTEREST

1. Director, Indian Institute of Integrative Medicine, Canal Road, Jammu-180001, invites Expression of Interest (EOI) from Indian manufacturers/distributors and Indian agents of foreign parties for supply, installation and commissioning of Fermentation Pilot Plant (fermenters 15L/200L/1000L and 5000L and supporting downstream processing facility) along with compatible utility.
2. Full technical details along with complete reference list, phone no and emails of quoted equipments must be submitted with the office of Stores and Purchase Officer, CSIR-IIIM Jammu on or before **21.06.2024**.
3. An EOI conference will be arranged on **25.06.2024** at **03:00 pm** in the **Conference Hall** of the institute. All the prospective bidders are invited to make presentation followed by discussion on specifications, design, utility, spares client list and credentials and post warranty services.
4. Only those bidders are eligible to participate in the EOI, who have at least **10** years of experience in manufacturing of fermenters, have local service support in India and two or more pilot plant installations in Govt. Organizations in India. Documentary evidence should be provided.
5. Bidders may visit the site before EOI conference.
6. Bidder/supplier to submit documentary evidence like certificate from a least **three** users working in Biochemical Engineering/Fermentation related work for the same equipment from government or semi government research organization/Institutions/industries to the effect that they are satisfied with the performance of the equipment and service of the supplier over past five years.
7. Manufacturer should have **ISO 9001-2015 Certification**.
8. All the pressure vessels should be certified by NABL Accredited Third party inspection agency.
9. The tender should follow the ASME BPE norms.
10. The vendor should be capable to take the project as a whole and execute and interface the various equipments.
11. Interested bidders can obtain further information from the office of Stores and Purchase officer, CSIR-IIIM, Jammu, India.
12. The Director, IIIM Jammu reserves the right to accept or reject any for all EOI either in part or in full without assigning any reason thereof.

1. List of activities proposed to be carried out by the bidder/supplier

- Design of Fermentation Pilot plant layout based on the site
 - Design, fabrication and installation and commissioning of fermenters (15L/200L/1000L/5000L), storage vessel(s), dose vessel etc. based on the desired specifications along with supporting utility including boiler, air compressors other required utilities
 - Supply, installation and commissioning of supporting downstream processing inline equipments (such as centrifuges and other equipments).
 - Bidder should indemnify CSIR-IIIM for any harm liability and causality.
2. Interested parties meeting the eligibility criteria are requested to fill up annexure A appended at the end of the document and submit in CSIR-IIIM.
 3. All interested parties are requested to submit their EOI. The last date for submission of EOI is **21.06.2024** . The EOI will be opened on **21.06.2024 at 04:00 pm**. The Subsequent amendment / changes if any will be published in our website also.
 4. CSIR-IIIM, may, at its discretion, extend this deadline for submission of EOI by amending the Bid Documents or any other reasons, in which case all rights and obligations of the CSIR-IIIM and Bidders previously subject to the deadline will thereafter be subject to the deadline as extended.
 5. Bid Submission method: Interested parties are requested to fill up all the Annexure enclosed and submit the bid with all the necessary supporting documents. The EOI shall be submitted **online** on or before **21.06.2024**
 6. EOI will be opened in the presence of bidder's representative(s) who choose to attend on the specified date and time, at the office of CSIR-IIIM at the address given.
 7. In the event of the date specified for bid receipt and opening being declared as a closed holiday for CSIR-IIIM, the due date for submission of EOI and opening of EOI will be the following working day at the specified times as given above.
 8. CSIR-IIIM will not be held responsible for delay, if any, in the submission of the bidding document or the non-receipt of the same. EOI sent by Telex/Fax/Telegraph will not be accepted.
 9. Evaluation: The evaluation will be carried out by a Technical committee constituted by the competent authority of CSIR-IIIM. CSIR-IIIM may decide not to continue with the empanelment and cancel the notice of inviting EOI either full or in part at its discretion. The committee shall check the documents attached to the tender as asked for in the qualification requirement. The committee may ask the parties to come for a discussion/presentation if required. All the parties who meet the requirements of the tender shall be shortlisted for the activities.
 10. Director CSIR-IIIM reserves the right to reject any or all bids either in part of in full without assigning any reason.
 11. **Arbitration:** Any dispute arising out of this Agreement, the same shall be referred to the arbitration of 3 (three) arbitrators, one to be appointed by each party to the dispute, and the third and presiding arbitrator shall be nominated by the said two arbitrators before entering into any reference. The decision of the majority of arbitrators shall be final and binding on both parties. The venue of arbitration shall be at Jammu and the arbitration proceedings shall take place under the provisions of Indian Arbitration and Conciliation Act, 1996.

E-copy of the Eoi, complete in all respects with the copies of the documents may please be submitted online on or before 21.06.2024 upto 04:00pm

Annexure A
GENERAL INFORMATION

1. Names of the firm:

2. Legal Status of the Firm: Individual/Association/Joint Venture/Consortium

3. Registered Address, telephone, Tele-fax.
.....
.....
.....

4. Contact Person, Designation and address including email id
.....
.....
.....
.....

5. Number of years in Fermenters/Bioreactor manufacturing:

6. Number of installation in Government Organizations in last five years:
.....

7. Details of certificates and accreditations (documents to be attached):

8. Details of major regulatory bodies inspection and audits (documents to be attached):

9. Attach an attested photocopy of Certificate of Registration.

Sign & seal of the tenderer
