CANCELLATION OF TENDER CORRIGENDUM

With reference to Tender ID 2025_CSIR_260259_1_1 for the Supply, Installation, Commissioning, and Demonstration of an In-Vivo Animal Imaging System, the GTE was published with an older version of the BoQ, providing provision for only three foreign currencies along with outdated terms such as excise duty, DGS&D/RITES, etc. Further, the estimated cost of the instrument was inadvertently mentioned in the tender.

In view of the above, the competent authority has granted approval to cancel the tender and re-publish a fresh tender with an updated BoQ providing provisions for five foreign currencies, along with updated terms, to facilitate bidders to quote in multiple currencies.

Further, bidders are informed that the estimated cost mentioned earlier was inadvertent and may be ignored, and they are advised to quote their prices independently based on their own assessment of the specifications, scope, and prevailing market conditions in the upcoming tender.
